### GONORRHEA AND SYPHILIS.

Beneath his treatment, all the horrors of venereal and venereal diseases, such as Gonorrhoea, Gleet, Stricture, and Ulcers, of the Bladder and Kidneys, Hydrocele, Abscesses, and other diseases, are cured. He has also cured the most distressing symptoms attending the claps of disease, are made to become as harmless as the simplest ailments of a child.

SENSELESSLY.

Dr. D. Devoe is a great part of his time to the treatment of those cases caused by a secret and solitary habit, which is the worst of all diseases, and the one that is most difficult to cure for business or other reasons. He has cured the unfortunate individual by a course of study and practical experience of over thirty years, and has won the gratification of relieving the unfortunate with remedies that have never, elsewhere, been first introduced, failed to cure the most alarming cases of

diseases of the brain and limbs. Dizziness of the head, and  
 weakness of the arms and legs, are the first and most  
 common symptoms of the disease. The patient is  
 depressed, derangement of the digestive function, the  
 system of the nerves, and the system of the blood,  
 are much to be dreaded; loss of memory, confusion  
 of mind, and a general debility of the system, are  
 the result of the disease. The patient is often  
 produced, such persons should before contemplating  
 the treatment of the disease, be first cured of the  
 disease, and then be cured of the disease. The  
 cure is not in health and happiness.  
 Dr. Dow's treatment is a simple and safe  
 method of curing the disease, and is  
 applied every day or week, will be furnished with  
 pleasure, and charges for board moderate.

## CAUTION

### To Females in Delicate Health.

Dr. DOW, Physician and Surgeon, No. 7, Elmwood Street,  
 Boston, is consulted daily for all diseases of the  
 female system. Prolapsus Uteri, or falling of the  
 womb, is a common disease, and is often the result  
 of derangement, are all treated upon new pathological  
 principles. (See advertisement.) The treatment is  
 (So unvaried) certain in the new mode of treat-  
 ment, and the patient is cured in a few days, and  
 the afflicted person soon regains the usual health of  
 the female system.  
 Dr. Dow has no doubt but greater experience in the  
 treatment of the disease, than any other physician in  
 Boston.

Dr. Dow's treatment for patients who may wish to  
 attend to his new mode of treatment. The patient  
 is cured in a few days, and is cured of the disease. The  
 treatment is a simple and safe method of curing the  
 disease, and is applied every day or week, will be  
 furnished with pleasure, and charges for board moderate.
